Related empirical research that involved other communities shall also be considered for publications.

Articles to be published in ajE-Bs shall be sourced from the selected papers condensed, presented during the two annual serial international conferences – the ASEAN Conference on Environment-Behaviour Studies (AcE-Bs) to be held in ASEAN countries and the ASIA Pacific International Conference on Environment-Behaviour Studies (AicE-Bs) to be held in non-ASEAN countries – organized by the Centre for Environment-Behaviour Studies (cE-Bs), Faculty of Architecture, Planning & Surveying (FAPS), Universiti Teknologi MARA (UiTM), Malaysia, together with co-hosts.

Articles selected and published in ajE-Bs are double-blind peer reviewed by the international Editorial Board members.
